Fire Management 1

Management/Supervision for Company Officers

Class Description:

This course prepares or enhances the first line supervisor's ability to supervise subordinates. It introduces key management concepts and practices and includes discussions about decision making, time management, leadership styles, personnel evaluations, and counseling guidelines.

Instructor Bio:

Chris has been a public safety professional for more than 32 years and retired as the Fire Chief for the City of Manteca. He earned a Master's Degree in Emergency Services Administration from California State University, Long Beach; a Bachelor's Degree in Management/Organizational Development from Saint Mary's College; and an Associate's Degree in Fire Science from San Joaquin Delta College. Chris earned his Fire Instructor Training Specialist from the National Fire Academy and has been a Master Instructor for the California Fire Service Training and Education System since 1990. He is also a graduate of the National Fire Academy Executive Fire Officer Leadership Program. Imparting knowledge continues to inspire his belief in "Purpose, Worthwhile Work, and Making a Difference. Chris is a third generation firefighter with two sons in the fire service today.
